Relief For The Kidneys
Improper kidney action causes more sickness, suffering and serious complications than any other organ. The kidneys are two large glands situated

not located on harbors that could be used by vessels passing through the canal.

Legislation to facilitate the procuring of statistics of coastwise traffic that will pass through the canal when the waterway is completed was proposed in a tentative bill submitted to the House to-day by the Department of Commerce.

"It will be a cruel discrimination against American coastwise ships to require them to pay tolls when the ships of other nations will have their tolls paid from the public treasury, said Senator Gailinger urged adoption of his resolution which would bar from the canal all foreign ships granted subsidies or given bounties, in case Congress repeals the tolls exemption provision applying to American const-wise ships.

Former Soldiers Are Eligible to Join New York, April 25.—Oilicers in charge of army recruiting stations here have called the attention of former soldiers to the army reserve act of 1912, under which they are eligible for active service if called upon by the President. This act provides that men honorably discharged with a rating of "good" can enlist in the reserves if not over forty. There is a great army of these former soldiers who can Join the regular army and serve while needed, and not for a stated term. They cannot reenlist with the rank they held when discharged, but as privates. Married men are not barred from the reserves.
